## ST. ALBERT CRAFT GUILD

The St. Albert Craft Guild has made tremendous forward strides since inception • only three years ago. The first craft introduced was "Pottery", and in the near future St. Albert will boast several accomplished potters. The Guild realizes the importance of competent instructors, and was very fortunate to obtain the services of Mr. Fred Owen. The Pottery section is now equipped with two wheels, firing facilities and a good variety

of glazes. The girls find this course very interesting, with a tremendous artistic challenge. Another prominent facet of the Guild is the Copper Smelting Classes. With this craft results are quick, but perfection can only come through continual experiment with design and color. Mrs. Willy Ford and Mrs. Ev Grant are competent volunteer instructors, and the Guild sincerely appreciates their help.

We plan to start new classes for beginners early in the New Year, and work groups for advanced classes will continue as usual. We hope to continue our high level of instruction for the newly formed classes. The Guild would like to expand into new fields. Should we have sufficient interest in millinery, batique, copper and

leather tooling, etc., and should we be able to obtain qualified instructors, we will form classes in these handicrafts.

In the past we have held Saturday morning Art Classes which were well attended by the local children; in the future we plan to offer free instruction in the various crafts to interested teenage girls.

### CLUB NOTES

The St. Albert Women's Institute met Nov. 24 at the home of Mrs. Swane. Officers for the ensuing year were elected: President - Mrs. H. Grant; vice president - Mrs. W. Flynn, secretary - Mrs. A. Rouault; treasurer - Mrs. J. M. Venne; director - Mrs. J. Meleschko.

The evening was spent candle making. A varied and decorative array of Christmas candles were made.

The Institute will meet December 15 at the home of Mrs. Guy Voyer, 35 Balmoral Drive. This will be the Annual Meeting so all convenors are asked to submit their yearly reports. All members are urged to attend. Roll call will be home made gifts of cookies or candies!

### SOCIAL NOTES

Mrs. Neil Ross has recently returned from a holiday in Europe. At Hoser, Germany, she visited her daughter and family, Lt. C.C. & Mrs. Smith and their daughter Heather. On Mrs. Ross' return she visit

ed her son Cameron in London where he is studying at the Royal Academy of Music.

The Chi Chapter of the Beta Sigma Phi are sponsoring the "Christmas Hamper Bureau".

Working in co-operation with the local Welfare and Health offices and local clergymen, the members will make up and deliver Christmas Hampers to needy families. This project of true Christmas spirit is especially noteworthy in that many organizations and individuals are uniting in this effort to bring a little happiness to the less fortunate of our own community. Gifts donated in the traditional White Gift Sundays of some of the Churches are being turned over to the bureau.

It is hoped that however busy we are with our own Christmas preparations we will all take a few minutes and prepare something for our 'neighbor' and thus ensure the overwhelming success of the bureau.

For information call Mrs. S. Neil at 599-7520 or Mrs. L. Sim at 599-7691.

### THE PARTY LINE

Each new Christmas brings with it a few more ingenious ways to spend ridiculous amounts of money on our children;

all in the name of delighting his little heart Christmas morning. More than one horrified mother is being pestered for a 'new gadget' which when attached to junior's trike will make it sound like a 2 ton truck!! It doesn't propel the trike, or for that matter, do anything, other than make a nerve wracking noise. Just what's needed roaring around in the basement these coming cold January after noons. It is my opinion the manufacture should pay the mother that would give such a 'gadget' house room. This is one mother he couldn't give one away to!! P.S. If you want the same effect at little or no cost, use a piece of cardboard and a clothespin.

### CHAMBER OF COMMERCE

At the latest dinner meeting held last Tuesday at the Club Mocombo, a discussion was held regarding the Christmas Tree light up campaign and the decoration of a tree by the Chamber. A nominating committee was appointed. Reports on the installation of a directional sign on Highway #2, and on the Parking and Lighting problem in the downtown area were heard. Recommendations were heard from the Committee regarding future celebrations in St. Albert.

### OUR TOWN BAND

The St. Albert Town Band held its first meeting on Sunday afternoon, at which time the following officers were elected to the Steering Committee: president - Ted Arkley; vice-president - Gordon Schmitt; secretary-treasurer - Bernie Montpetit; public relations manager - Louise Vandenberg; general manager - Jerrie Wennes.

As its first task, the committee will decide the most suitable day and time for the weekly rehearsals, as the Sunday afternoon appears to be impractical for a number of people.

After the meeting was adjourned a short rehearsal was held.

Next rehearsal: Players will be notified by telephone when and where the next rehearsal will be held.
